Steve/Kerry: Here are the owners for the properties associated with the proposed pipelines. Please read Toreoek's "Recommendations." It would be best to get adjacent property owners access if the pipes' location are close to edges of property lines and/or if machinery might need to go across properties. Adjacent owners' contact info are included in the report.

I am including a CLEAR report (below) for one of the owners that Toeroek could not locate. Call me at my cell (you both have my no.) anytime. Mike
